

HOUSE OF INSPIRATION

2023 EDITION

Get ready to be **inspired...**

As your trusted partner in the product media industry, we offer a meaningful collection with products and brand that last and that people love to use.

Our ambition is not only to offer more sustainable products but to also help you and your customers make a better choice. In our joint sustainable journey, you can trust us to be transparent, to provide you with data and that we work with third-party validation and proof.

To help you choose the perfect gift, our House of Inspiration 2023 catalogue provides a clear overview of our product media collection and inspires you with:

- More sustainable products
- Your favourites – our bestsellers
- Quality brands
- How to create one-of-a-kind products with our 'Create your own' service

Featured brands

Brands make a product stand out and are trustworthy with the delivery of a consistently positive experience. We offer top quality products from the best brands. Brands you can rely on, brands that you can trust.

APPAREL

Promotional apparel with an ever-increasing emphasis on sustainable choices.

LET'S ELEVATE YOUR BRAND

In the world of branding, consistency is everything. Consistent look, consistent feel, consistent values. And of course, consistent high quality. Those who take branding as seriously as we do are only satisfied when their brand experience perfectly reflects their brand identity. Down to the very last fiber.

When it comes to branded apparel, this is where the bar should be set. **Brands that are worn with pride are brands that last.** Elevated in people's preference. This is what Elevate is all about. It's in our name, it's in our nature; it's in everything we do. From the design, to development, down to the actual delivery. We're right on top of it all. That's how we guarantee quality and consistency for every single piece of branded apparel we deliver. Suited for everyone, every single time.

People around the globe are asking: How can we save our oceans from plastic pollution? We listened and came up with a meaningful way to address the problem head-on. **REPREVE** Our Ocean are using ocean-bound plastic bottles. Plastic bottles are collected by hand from areas within 50km of coastlines that do not have a formal waste or recycling system.
